Call for Corporate image Award competition

**AGREEMENT NUMBER:
ECO/12/333078/SI2.658616**

The call for corporate image competition was cancelled from project activities. Since it became immediately necessary to produce communication materials La Mia Energia has made at his own expense a logo design that was published on flyers and brochures. In addition, during the phases of the negotiation part of budget dedicated to this activity has been cut. For this reason, the coordinator in agreement with the other partners, has decided not to carry out this activity and to use the logo already designed. This decision will let to save money and continue to use the material already produced. The mark located on the brochure and on the website of Lamia energy MOrede Pv is as follows:
